

SALINAS BY NIGHT

The background of the poster is a photograph of an archaeological museum gallery. It features several large, draped statues (telamones) standing on pedestals. The lighting is dramatic, with strong highlights and deep shadows, creating a sense of mystery and history. The statues are made of light-colored stone or marble. The floor is dark, and the walls are also light-colored. The overall atmosphere is one of ancient grandeur.

**Apertura straordinaria
fino a mezzanotte
Special opening
until midnight**

dal 6 luglio al 1 settembre 2018
ogni venerdì e sabato

6th July - 1st September
every Friday and Saturday
