# Archaeologic Park of Segesta

*Sunday 24 september 2017*

## **Archeo Trekking**

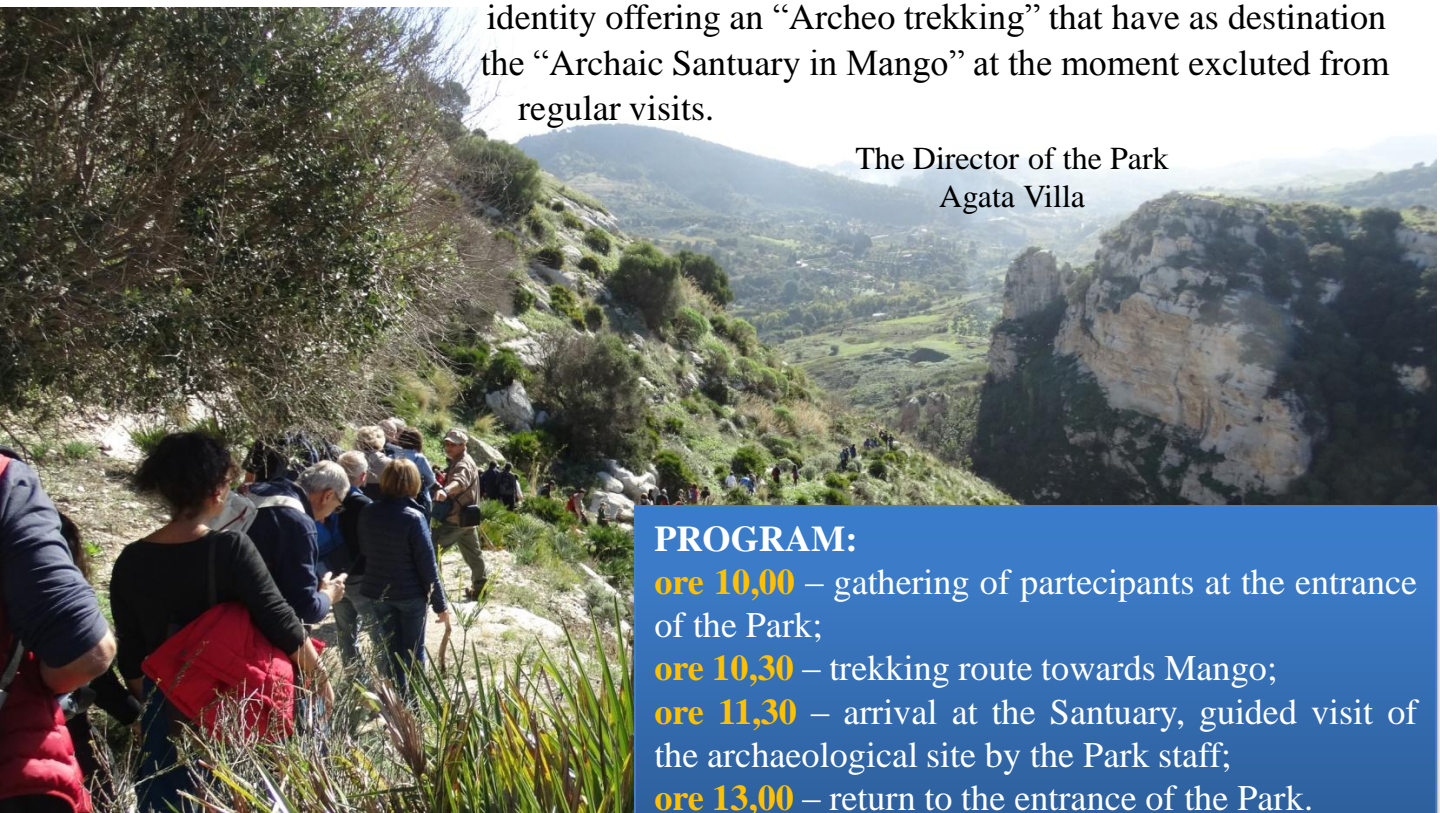

Visit to Archaic Sanctuary  
in Mango

The Ministry of Cultural Heritage and Tourism and the Department of Cultural Heritage and Sicilian Identity, remind you that on the 23 and 24 of September it will take place the “**European Heritage Days**” (GEP), indicating that the issue chosen by the European Council for 2017 is: “**Culture and Nature**”.

The initiative, promoted in 1991 by the European Council and by the European Commission, proposing to develop and encourage the dialogue and cultural ideas among the European Nations, represents an occasion of extraordinary importance to confirm the central role of culture among the territorial dynamics.

The archaeologic Park of Segesta, sharing the spirit of the event identity witht, will contribute on the 24 of September to strengthen the link with its own territory and cultural identity offering an “Archeo trekking” that have as destination the “Archaic Sanctuary in Mango” at the moment excludet from regular visits.

The Director of the Park  
Agata Villa
